

The screenshot shows a web browser window with the URL `www.onlinegdb.com/online_c_compiler`. The browser's address bar and tabs are visible at the top. Below the browser window is a toolbar with icons for file operations (upload, download, save) and execution (run, debug, stop, share). The main area is divided into two sections: a code editor and an output console.

The code editor contains a C program named `main.c` with the following content:

```
1- /*****  
2-  
3- Online C Compiler.  
4- Code, Compile, Run and Debug C program online.  
5- Write your code in this editor and press "Run" button to compile and execute it.  
6-  
7- *****/
```

The output console, titled "input", displays the program's execution results:

```
Digite dez números inteiros:  
Número 1: 5  
Número 2: 4  
Número 3: 7  
Número 4: 8  
Número 5: 9  
Número 6: 6  
Número 7: 5  
Número 8: 2  
Número 9: 3  
Número 10: 1  
Quantidade de números divisíveis por 5 e por 3 ao mesmo tempo: 0  
  
...Program finished with exit code 0  
Press ENTER to exit console.
```

The bottom of the image shows a Windows taskbar with various application icons and a system clock indicating 13:34.
